**Sub: Non-compliance of securities laws in connection with non-submission of capital & shareholding position for the month of September 2005 within time: Warning.**

As per section 2(g) of the Securities and Exchange Ordinance, 1969(ORDINANCE No.XVII of 1969) The Engineers Limited is an issuer (herein after referred to as an "issuer").

An Order bearing No.SEC/SRMID/2004-08/1116-239 dated August 29, 2004 was issued under section 11(2) of the Securities and Exchange Ordinance, 1969 to the issuers concerned to furnish the capital and shareholding position to the Commission by tenth day of every month, but the said issuer failed to furnish the same for the month of September 2005.

Failure to submit the capital and shareholding position is a violation of the above-mentioned Order attracting penal provision of section 22 of the Securities and Exchange Ordinance, 1969.

The issuer and its directors as well as the company secretary were called for hearing on July 20, 2006. Mr. A.H Bapu, Company Secretary appeared at the hearing. At the time of hearing they made submissions to the effect that as there was no change in the capital & shareholding position they thought that they need not submit the same and committed that they would submit the said position regularly in future.

The Commission, taking into consideration of submission of the capital and shareholding position on July 20, 2006, has decided to dispose of proceedings against The Engineers Limited and others concerned for stated violation, by placing on record the Commission's dissatisfaction on the default/violation made by the company with a warning to ensure compliance of all securities related law in future.

Please note that this disposal does not absolve the issuer or any of its directors or officers concerned from their lawful responsibilities/obligations to the persons, if any, affected as a result of the issuer's above said default.
