- “1. Three fourth of Bank Interest amounting to Tk. 1,98,55,492.00 has been deferred and shown as “Intangible Assets” and one fourth of interest amounting to Tk. 66,18,497.00 has been charged to Profit & Loss Account as per decision of Board in its 143rd meeting held on 5th June 2004. This decision does not conform to accounting principles and as per Bangladesh Accounting Standard (BAS 23);
- 2. Depreciation on factory assets, such as, Factory Building, Plant & Machinery and other factory assets have not been charged for the year under audit;
- 3. Lease rental for IDLC machines for Tk. 432,420.00 only has been recognized as expenses whereas lease agreement discloses yearly installments with rental amount of Tk. 20, 29,690.00 which was not accounted as per BAS-17 Leases;
- 4. Year wise tax provision as well as assessment position could not be made available to us. As such actual tax liability could not be worked out”;

- “1. Since the company was not in production for about nine month and approached to the bank for waiving of interest and reschedule its loan liabilities nine months interest was not charged in the account. On receipt of bank’s final decision on the subject, necessary adjustment will be made in the account in the following year;

2. The rate of depreciation of all assets was mentioned in note 1.03(c) the of the audit report. But in the Schedule of Fixed Assets no rate was mentioned as the depreciation on the assets related to production was not charged because the machinery was not utilized in full swing during the period under review;

3. IDLC hold the ownership of the leased machinery and this is not yet the property of the Company. As such leasehold machinery is not taken into account as assets and no liabilities are created. in the next year lease rent outstanding will be recognized and be amortized for several years based on board decision;

4. Provision for Tax has not been adjusted, as company's claim of Tk. 1,31,13,469.00 only for adjustment of taxes against AIT has not yet been settled";
