¶  
Sub-rule (2) of rule 12 of the Securities and Exchange Rules, 1987, states “The financial statements of an issuer of a listed security shall be prepared in accordance with the requirements laid down in the Schedule and the International Accounting Standards as adopted by the Institute of Chartered Accountants of Bangladesh.”;

“(i) Internal control procedure of the company with regard to the local sales, purchase and issue of stores, raw materials, accessories including components and up keeping of records thereto is not adequate to the nature and size of the company resulting in a chance of error and omission;

(ii) Physical counting of current and non-current assets as on June 30, 2006 were done by the management. We are unable to comment on the existence, condition, location and provision if any required on them;

(iii) Since the company has not adopted appropriate & adequate accounting system of controlling of inventory, we are unable to comment on the accuracy of the material consumption and cost of goods sold”;

“(i) In few cases there may be some lapses in maintaining the registers/records etc., but not in all cases;

(ii) It is unusual practice that the current assets as on the closing date (June 30, 2007) is physically counted by the management. However in future stores, assets etc. would be counted physically in presence of the auditors if they desire;

(iii) In future they would arrange to make available of evidence of trade debtors for auditors verification;

(iv) In few cases they admitted that proper books of accounts were not maintained. However, in future all proper books of accounts, documents would be properly maintained;

(v) Finally, they regretted for the above defaults and assured the Commission that in future they would be careful in maintaining all required books of accounts, documents, information etc.”;
