"With due respect, I would like to take the opportunity to explain my position in respect of your letter no. # BSEC/Enforcement/3276/2022/562 Dated: April 07, 2022 regarding DELTALIFE.

Pursuant to your above-mentioned letter, we have tried to trade significant quantity of shares to improve the market scenario and increase the market volume in the very difficult situation like COVID-19 hit the capital market significantly where market volume reduced to very low and capital market was depressed and volume was required to stabilize the market. We, all know that the current economic data shows significant growth trajectory of Bangladesh Economy under the daughter of Bangabandhu HH Prime Minister Sheikh Hasina M.P., the depressed situation of capital market will not sustain, it must be rebounded significantly. It needs leader with good number of market participants who will work for the development of market like existing Chairman sir along with his team of BSEC.

In addition to the above, we have given buy order to our concerned trader to buy the mentioned shares of Deltalife on the different dates but not for manipulative purpose. This is fresh buy and sales of shares. We believe that the price of Deltalife is undervalued that's why we given this buy order to purchase shares. We have no other motive but to get the opportunity to get the gain from undervalued shares which is evident from its current price.

I always try to comply rules and regulation at the time trade. In addition to this, my trade volume helps to provide sufficient liquidity in the market which ultimately increase the turnover of the exchanges.
