After that I acknowledged about your show cause and the complains against me along with my wife Mrs Tahmena Nahar Islam and daughter Ms Avinno Faruk.

It's too much painful to get such kind of complain without getting profit or financial benefit. We almost our fund for NRB Bank for its aggressive & market damaging selling of the said instrument 'Pioneer' from its holdings as well as the non-compliance activities accordingly Bank rules. Unfortunately this is not reflecting in your show cause letter. It seem that the investigation was done through the prism of NRB Bank other than a regulatory body. I know NRB Bank Chairman Mr Mohammad Mahtabur Rahman who lives in Dubai, UAE is very powerful, very much wealthy and highly connected with BSEC. He won 02 (two) TREC of DSE as well.

We have lost almost money and our portfolios are continuing with negative equity. We have not any equity, now have only loan amount with negative balance. We did not cash out.

(and NRB Bank looser it is a big question). In capital market, a lot of people, individuals & institutions loosing, but their bad luck. Here NRB Bank is much more lucky, if they lose it's a problem than other.

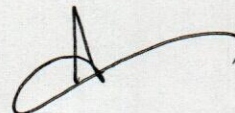

(So far I informed, NRB Bank not looser all, they gained crore by Pioneer and Gbb power. It loses from gained/profit amount, not basic fund).

Here I replying all (03) complain together:

A) Responsibility: Here I am taking by written all the responsibility belong to me for the following portfolios which won by me myself, my wife and daughter. I assure and confirm you that sell/buy/activities done by me myself along my own portfolio as well as my wife and daughter's portfolio.
