## প্রেস বিজ্ঞপ্তি

**বিষয়: Message of Chairman, BSEC।**

After performing the role of Chairman, BSEC for last 21 months, I have decided to resign from the public position to focus on personal endeavors.

We had taken over the leadership role in the most turbulent times and immediately began a long overhaul of the legal framework and market discipline.

During this short period, we have already gazetted 5 Rules (Margin, IPO, Mutual Fund, Debt Securities, Whistleblower). We have also published 3 draft Rules / Guidelines (Corporate Governance, Audit, Corporate Restructuring) in recent weeks for public opinion. We have drafted two laws ( Bangladesh Securities and Exchange Commission Act & Capital Market Stabilization Fund Act) for FID to enact.

We had taken very strong measures and have made significant progress in Compliance / Enforcement area to restore market discipline. We had removed all formal and informal intervention mechanisms and allow the market, intermediaries and issuers to operate freely by restoring rule of law and regular stakeholder engagement program.

We have also made tremendous progress in Investors awareness / education by adopting digital platforms, short video competitions by students and engaging at the grassroots levels of the administration.

All the above measures had been achieved by a rejuvenated and revitalized BSEC team who are ready and eager to do more.

In conclusion, we are proud to leave a lasting impact for the capital markets. We take this opportunity to thank all our colleagues, stakeholders and the government for their dedicated support and commitment.

Khondoker Rashed Maqsood  
Chairman, BSEC
